

## SNUG & STYLISH MOHAIR THROWS FROM WOOLME

Perfect for a cold winter's evening or fresh spring afternoon, the new Michaela Mohair throw from online wool brand WoolMe.com will add a touch of warmth to the home and wardrobe this season. Available in two on-trend palettes of Red/Blue and Yellow/Blue, delicate mohair yarns are lovingly woven together with sumptuously soft Merino wool to create a distinctive four-coloured striped pattern. A luxurious yarn sourced from the Angora goat, mohair is noted for its high lustre and sheen, which gives the throws a beautifully smooth texture and quality of finish. Crafted in traditional mills using the finest fibres, the Michaela throw is wonderfully soft against the skin yet durable enough to keep out the cold. Whether draped over a sofa, positioned as a decorative bed runner or simply wrapped around the shoulders when the temperature drops, WoolMe's luxurious collection of blankets and throws will be sure to keep you warm and your home looking wonderfully inviting all year round.
